Cooperative Extension Program

The members of Texas A&M AgriLife will provide equal opportunities in programs and activities, education, and employment to all persons regardless of race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation or gender identity and will strive to achieve full and equal employment opportunity throughout Texas A&M AgriLife.

Let's Stay 4-H Connected!

We are glad that you have chosen to be part of the largest non-formal youth education organization in the United States! Over 5.6 million youth participate in 4-H each year to become self-motivated, productive, and contributing citizens.

4-H is designed to be a family affair, so 4-H parents are encouraged to get involved in the 4-H experience. The ways that 4-H parents can contribute range from serving as a project leader to providing transportation to activities, or even supplying refreshments for meetings or special events. 4-H parents are also needed to supervise 4-H activities.

Gregg County has an outstanding group of dedicated adult volunteer leaders as well as a superb group of motivated 4-H members. We welcome your family into our Gregg County 4-H family!

Please mark your calendar and utilize the 4-H Newsletter as you set your goals for participation in 4-H events and contests. Join 4-H at: <https://texas.4honline.com/#/user/sign-in>

Best wishes for a fulfilling year in 4-H! We look forward to seeing you at events throughout the year.

THANK YOU for your support and participation!
